Infant Newsletter

Dear Parents,

Happy New Year everyone! Even though Christmas has passed we hope you can keep that spirit of joy, love and peace in your hearts as we begin the New Year!

In waddler's we have recently watched Madeline and Olivia have their 1st birthdays! That means they are outgrowing "babyhood" and are becoming toddlers! Maddie has "graduated" to Jr. Toddlers and Olivia will "graduate" this month as we make way for some new little friends to join our infant family.

Olivia loves to pat a cake and wave and likes circle story and singing time. She is trying to walk! Quinn pulls up and stands everywhere and the girls love to stack rings and use the walking toys. Ayaan and Santiago

loves blocks and laughing with each other by the mirror. Santiago loves to jump for joy in the exersaucer. Marty from infants will be transitioning as Olivia gets ready to "graduate"! We will miss you and your family, Olivia!

In infants we will welcome baby Natalie, who has a big sister, Ellie, wow Toddler class and baby Samantha and her family to Funshine

Owen and Sophia are always on the move. Owen loves tunneling under wherever he will let! He stands and loves to climb into the toy box! He laughs and laughs! They also love to play in front of the mirror together! Lilah is rolling and scooting all over the room. She also waves when we say "bye, bye"! Amos is rolling, too. They both love to play in exersaucers and play with the musical toys. Amos has become our great story teller! Nina is rolling and Lilah is her best friend. She loves books, especially the touch and feel kind. Hayden is beginning to like

tummy time in front of the mirror better! He loves his friends and laughs and smiles a lot! He's almost rolling over! We have lots of fun with sensory play and babbling our sounds!

We hope all of you had a very blessed Christmas and we thank each of you for the kind gifts!

We love you all and hope you have a blessed New Year as well!

Ms. Donna, Ms. Rosana, Ms. Shelly, Ms. Wendy
