

HAVING FUN IN OUR ROOM!

Funshine Children's Center

SEPTEMBER 2019

Infant Newsletter

Dear Parents,

This summer has gone by so fast. It's hard to believe it's September. We hope you all enjoyed the State Fair, racing, baseball and all the summer activities you love!

We have a lot of growth happening with our babies.

In Waddlers, Walker has joined Riley, Cora and Nina! Riley's almost walking and just celebrated his 1st birthday! Nina is walking and is just about ready to "graduate" to Jr Toddlers. Cora and Walker love to play and go on adventures together.

Samantha will join them soon when Nina moves to Toddlers! Samantha, Nina, and Cora all love to sing and dance whenever we play with our musical toys! Riley loves to read books and "walk" with the walker toys. Walker loves the ball pit and the activity table.

In the infant room we welcomed Hailey and Riley to join Harper and Samantha. We will welcome Dorothy soon to our class. The girls are progressing nicely with their

tummy time activities and fine motor practice. Their friends from our Wee Care class love to gaze in at them from the playground!

A big thank you to all of you for cooperating with us in providing the playyard sized sheets and sleep sacks for licensing regulations.

We appreciate you!! Also, soft soled shoes and a light jacket need to be in tubs are seasonal and the correct size. These babies grow so fast! Thank you!

We are Colts fans, so the first couple of weeks in September we will dress in colts outfits and have our pictures taken for our tiny Colts fans wall!! My granddaughter is a Colts Jr. cheerleader! Thanks!

We will celebrate Blue Thursday s (since I'm off Fridays!) Also, we will welcome little Dorothy to our Infant class this month! We're glad to have her join us.

If you haven't brought in a family photo and pet photo (if you have

one!) we still need them for our family wall!

We love you all we hope you have the best month ever!

Ms. Donna, Ms. Rosana, & Ms. Shelly
