Infant Newsletter

Dear Parents,
Greeting Everyone!

We're looking forward to more sunshine, flowers blooming, trees budding, bird's singing, the return of the humming birds and a beautiful Easter seasons!

In Waddlers, Marty will celebrate his 1st birthday on April 4th! Happy Birthday, Marty! He is walking a little, still loves eating and exploring anything that makes noise!

Owen just had his 1st birthday two weeks ago! These two are in great company when looking for adventures! Owen can say "uh oh!" Sophia loves him and they are always together, learning to share and love reading books together! Arthur is crawling and rolling balls together.

Now that spring is here, please be sure they have soft shoes and a hooded jacket or hat for going outside to play!

In Infants, we are growing up too fast!

Amos and Lilah, our twins, are pulling up and sidestepping on anything that will hold them! They love the exersaucers and playing by the mirror with Riley and Hayden, Riley's almost crawling and sits up pretty well by himself. Hayden and Riley like watching the Wee Care class

when they come out to play by our window! They love to play together on the floor. Natalie love to sit in the bumbo with Nina and watch her unload the toy box! Nina sees what toys will rattle and will shake them for her!

Natalie rolls over and over and over to travel where she wants to go! Walker does tummy time with Samantha in front of the mirror. They like playing peek-a-boo!

We love reading books and singing songs, both are healing to our souls!

We wish you all a very happy Easter and all its blessing!

We love you all and are so thankful for you!

Ms. Donna, Ms. Lesly, Ms. Shelly, Ms. Rosana

P.S. We wish and pray for a safe journey back to California due to a family emergency for Ms. Julia We'll miss her!
