MAY 2018

Infant Newsletter

Hello everyone!

April showers bring May flowers! It's spring in Indiana! May is the month for celebrating all our beautiful mommies and for racing excitement for the Indy 500!

In Waddlers, Lexington finally sprouted his first tooth! He's excited to show us how he is beginning to stand up with support. Nora is standing up also with support. She's traveling everywhere! Carl loves to sit up independently and empty the toy tubs. Caleb and he are "buds" and make each other laugh. Caleb loves music, especially when Ms. Liz sings to the class! Thank you, parents, for stocking their tubs with extra clothes and outside wear and shoes. They'll be able to have outside play finally!

In infants, we said goodbye to Miles and his family as they have moved. We miss him! We welcomed Madeline and her family to Funshine. She's great and will find a toy that she thinks does something funny and will laugh out loud! Then we all end up laughing. Landon is rolling all over! He loves to play on the mats with Madeline. They will make each other laugh. He's working hard at sitting independently! Caleb still loves

the musical toys on the exersaucers as well as reading books. Olivia and he love the touch and feel sensory animals on the playmats. She loves mirror play while doing tummy time with Landon.

We will welcome a few new families to our class during May. We're excited to have them join our Funshine family!

We want to wish each of our Mommies a Happy Mother's Day! Also, happy racing!

God bless you all, we love you!

Ms. Donna, Ms. Sandy, and Ms. Liz

teacher appreciation week

Teacher appreciation week is May 7th-11th. This is a week where we'd like our wonderful teachers to be inundated with thanks and appreciation for all of their dedication, long hours, expertise and love they share with our children day in and day out. Please be sure to read through the letter that you received about this year's teacher appreciation week. Thank you!
