

THE EASTER BUNNY CAME FOR OUR EASTER PARTIES!

# FUNSHINE CHILDREN'S CENTER

APRIL 2018

## Pre-K Newsletter

Dear Parents,

Spring is officially here and things are just blossoming around Funshine!

We have another fantastic month ahead of us filled with some great activities! The following themes will be used this month:

Spring Weather: This week we will talk about the changes we see in the

weather during the spring. We will observe the weather throughout the week and go on a nature walk!

Spring/Baby Animals Week: We will learn what baby animals are born in the spring and compare baby vs. adult animals!

Colors of the Rainbow Week: During our colors of the rainbow week we will review our and learn what primary colors are and what colors are combined to make secondary colors.

Plants & Flowers Week: It's so nice outside when the flowers are blooming! We will have fun planting our own classroom flower, making paper flowers and learn about the different types of flowers. We will discover different parts of a flower and how they help the flower.

We will continue reviewing letter sounds, sight words, reading and math readiness, and transition math.

Just a reminder Pre-K parent/teacher conferences will be held on **Monday, April 9<sup>th</sup>**. I hope to see you in attendance for an overview of your child's progress and also to answer any question you may have about Kindergarten preparations.

Have a wonderful month of April!

Mr. DeWayne & Ms. Pavla
