

# Funshine Children's Center

READY TO CHEER ON OUR FRIENDS AT THE TRIKE-A-THON!

JUNE 2018

## Pre-K Newsletter

Dear Parents,

On Friday, June 1<sup>st</sup>, we will be having our annual Pre-k graduation program! **Student should arrive by 9:00 am to be fitted for their cap/gown and for a brief rehearsal.** The ceremony begins at 10:00 am, lasting approximately one hour. Afterwards, you are welcome to take pictures with friends/teachers and then head to West Park for fun in the sun! There is a splash pad at the park so feel free to bring your child's swimwear! The children must leave with his/her parents. If your child needs to return to Funshine after the park, please see an administrator to make arrangements. However, please keep in mind the Pre-K classroom will be closed Friday afternoon.

We are so excited about our summer session that is just around the corner, thanks to another fantastic school year!

We have another fun-filled month with some great themes! This month we will talk about the beach, summer sports, Father's Day and summer foods!! We

look forward to a month full of fun and learning!

Thank you for all of your support with the children this year, I truly appreciate every one of you!

Have a joyous June!

Mr. DeWayne & Ms. Pavla
