SEPTEMBER 2018

Pre K Newsletter

Dear Parents,

Welcome to the Pre-K classroom! We are so excited about this school year. We have several activities we will do this year. Some of those activities include journal writing, book reports, letter of the week, reading chart, a science fair and that's just to name a few! Our goal is to prepare your child for Kindergarten next Fall, and it will take all of us working together as a team to achieve this!

Ms. Brandye has been a wonderful addition to the Funshine family. She and the kids have created a strong bond already. We are glad she is a part of our team.

During this month our focus will be surrounded around the monthly theme of "Food and Fitness."

Our weekly themes for this month are Health and Fitness, focusing on keeping our bodies healthy. Next is Cooking week where we will be preparing a week-long of cooking projects! Then Food Group week we'll learn about the food group pyramid.

We will end the month with learning all about the life cycle and uses of Apples.

On Friday, September 7th we will have our annual Grandparents Day! Children will get a chance to spend the morning learning and sharing special time with their Grandparents.

Our annual field trip to Stuckey Farms Apple Orchard is scheduled for Thursday, September 24th! More info will be available soon, please see the office if you have any questions.

Sincerely,

Mr. DeWayne & Ms. Brandye
