LOOKING EXTRA SPECIAL FOR PICTURE DAY

MAY 2018

Sr. Pre Newsletter

Dear Parents,

The April showers will soon bring in May flowers! We are finally seeing signs of spring all around us.

The month of May is all about family. We are so happy to have each and every one of you as a part of our Funshine family!

What better way to start our month about family than with some "family fun"! Do you like to take vacations? Go to the park? Have a family game night? There are so many fun things families can do together!

Next, we will celebrate and spoil the mom's or special women in our lives! We will talk about what they do for us and how much they mean to us!

Who are the people in your extended family? Aunts, uncles, grandparents, cousins and in-laws. Some families are small, and some are big. During this week we will celebrate all of those extra family members that make our families extra special.

We can't leave out our pets! To most of us, our pets are extended family too. So, if its cat, dog, turtle or fish we celebrate our non-human family members.

Teacher appreciation week is May 7th-11th. This is a week where we'd like our wonderful teachers to be inundated with thanks and appreciation for all their dedication, long hours, expertise and love they share with our children day in and day out. Please be sure to read through the letter that you received about this year's teacher appreciation week. Thank you!
