JANUARY 2019

Toddler Newsletter

Dear Parents,

This year has passed by quickly! I can't believe it is already 2019, can you? Happy New Year! We had so much fun the past month. We had a great time at our classroom Christmas party and the children really enjoyed gifting their books to their friends during our book exchange! We hope they all enjoy reading their new book!

This month we will be focusing on the winter season.

The themes for the month are:

Arctic Animals week

This week we will be discovering all the different arctic animals! We will learn what types of homes they live in. as well as, what arctic animals eat and how they find their food to survive.

Winter Activities week:

This week we will learn all about the different activities we can enjoy during the winter season, whether they are inside or outside activities. We will also discuss what activities people enjoy in different countries around the world. This week the

children will be able to share with our class about their favorite family activities during the winter months!

Winter weather week

We will talk about all things weather this week! We will observe the weather day to day in Indiana. We will also learn what the weather is like in different states across America! We will use pictures to observe the weather in our country of the month.

Winter Sports

This week we will discover all types of winter sports. Some sports we will learn about through pictures and videos and others we will play as a group! We will also be focusing on the Winter Olympics this week.

Best wishes for a joyous and happy New Year from your Toddler teachers!
