APRIL 2018

## Toddler Newsletter

Dear Parents,

April showers bring May flowers!

The time has come to get out and enjoy the warmer weather (hopefully). Please remember to have a coat or light jacket for your child as we will be going out as much as we can. We are excited to get back outside.

We have another fantastic month ahead of us with some great activities. The last few weeks has had a lot of changes! We are happy to welcome Ellie, Kellen, Camilla, and Maisie to our Jr. Toddler classroom!

We are also excited to have Ms. Rosana in our Jr. Toddler class as well as Ms. Aaliyah taking over as our lead Toddler teacher. Ms. Kinisha has also joined our team in the Sr. Toddler class!

This month's themes are as follows:

### Spring Weather:

This week we will talk about the weather outside each day. Is it warm, cold, sunny, rainy or snowy outside?

**Baby Animals:** We will learn what baby animals are born in the spring and compare baby vs. adult animals!

### Colors of the Rainbow:

What are the colors of the rainbow? We are going to enjoy naming our colors and pointing them out in our classroom!

### Plants & Flowers:

It's so nice outside when the flowers are blooming! We will have fun planting our own classroom flowers, making paper flowers and learning about different types of flowers.

Have a wonderful month of April!

Ms. Aaliyah, Ms. Kinisha, and Ms. Rosana
