

Funshine Children's Center

SEPTEMBER 2019

Toddler Newsletter

Dear Parents,

August is gradually getting to an end and we will soon be in September which we believe is going to be a good month and bring smiles and happiness to our families and friends.

However, We want you to know that as we are entering the month of September we will be introducing a lot of new themes and as we all know that September 2nd is Labor Day, Funshine will not be open to the general public on this day as we will be honoring this holiday. We will be back to work on Tuesday, September 3rd.

After resumption, Our first theme in September will be about Health and Fitness week where we will have the chance to discuss our health and speak on healthy snacks. Also, we will talk about visiting the dentist to keep our teeth clean and healthy. Our doctor kit will be available for play so we can implement the importance of health to our curriculum activities.

The next theme will be Cooking and this we know is going to be an interesting week as we will be discussing our favorite foods, our Sr. Toddlers kitchen will be available in the classroom to use. Lots of drawing with our friends on different foods will also be done. We will

be talking about Apples where they grow how yummy they are in our tummies! We have different food groups, We will focus on the menu we have. We will discuss on the yummy food that makes our bodies healthy we will paint on spaghetis and learn about grain food groups as well. The best part is that we will be trying a piece of food from each food group. Hmm, yummy in my tummy!

Our last but not least theme will be about fall thus is where we will be discussing during our circle time about why leaves change color in the fall. We are also going to gather around our friends and play with leaves with magnifying glasses One of our many exciting activities this week will be to use glue to create leaf collage. Pumpkins, apples, and leaves yay It's Fall!

As the leaves change color and the air gets chilly; pumpkins get large enough to carve and eat and apples appear in mass quantities.

We hope everyone enjoys the weather every bit of our activities coming up, We already know It's all going to be educating and fun. Enjoy your Labor Day Enjoy your Labor Day.

Ms. Amal, Mrs. Linda, Mrs. Trina

Happy Birthday

Louis Milli (14th)

Grandparents Day - Friday 6th

We would like to invite all of the Grandma and Grandpas (or other family members) to visit their grandchildren at school from 10:00 – 11:00! We will have crafts that they can enjoy together, and fun activities planned.

A Little friendly reminder:

Dear families as the weather will be changing if we could ask you to bring in a Kleenex tissue. We greatly appreciate it!
