Time to listen and learn about different kinds of music and famous artists such as Monet, Michelangelo, Mozart, Beethoven, etc.

### Music and Movement:

It's time to get our bodies moving while listening and learning about

different kinds of music people listen to around the world!

### Circus Week:

The circus is coming, yay! Find your silliest hat and bring it in. We will be singing and marching around the school and learning about all the different fun we can have at the circus!

We hope you enjoy the month of July!
