

Funshine Children's Center

SEPTEMBER 2018

Toddler Newsletter

We have enjoyed our Summer fun activities and Splash Days, and now it is on to Fall and observing the beginning of the beautiful changes of nature all around us!

We will learn about the following themes this month in class:

Health and Fitness (4th-7th)

This week we will focus on enhancing our gross motor skills getting plenty of heart-healthy exercise on our playground and indoor gym mats! We will also enjoy practicing jumping, kicking, and throwing skills and continue practicing our constant handwashing skills!

Cooking (10th-14th)

We love to measure, mix, and taste our culinary creations from the classroom to our tummies! Not only do we enjoy trying new foods, but when we participate in measuring out and mixing

ingredients we are practicing early math reasoning skills!

Food Groups (17th-21st)

We will begin to observe and taste foods from our basic food groups trying a variety of fruits and vegetables especially! We will even explore the garden on our large Funshine playground and pick a few tomatoes growing there for our snack!

Apples (27th-31st)

We will learn all about apples and their environment through many of our senses: sight, touch, taste, and sound. We will also enjoy exploring how to cook our own applesauce!

In addition with all of these fun activities, we will continue learning skills we such as matching, mastering puzzle skills, counting to ten, and reviewing all of our Sign Language and Spanish vocabulary.

We hope everyone has a wonderful month of September!

Sincerely,

Ms. Aaliyah, Ms. Audrianna, and Ms. Kinisha

Important Dates:
9/3- Labor Day (Funshine Closed)
9/6- Dr. Seuss Show
9/7- Grandparents Day
9/17 - Dental Hygiene Presentation
9/19- Indy Parks Visit
9/20 - Stuckey Farm Field Trip!
