

Funshine Children's Center

WE ENJOYED OUR GARDENING PROJECT TOGETHER!

JULY 2018

Wee Care Newsletter

Dear Wee Care Parents,

Our summer programs are off to a great start! The children are really enjoying our splash day and all of our other fun outside activities and themed lessons. During July we will continue to have splash day every Wednesday as well as other special activities throughout the month.

Art Week:

Are you ready to work again? Time for you to put your art skills to work – it's art week!

The Master's:

Time to listen and learn about different kinds of music and famous artists such as Monet, Michelangelo, Mozart, Beethoven, etc.

Music and Movement:

It's time to get our bodies moving while listening and learning about

different kinds of music people listen to around the world!

Circus Week:

The circus is coming, yay! Find your silliest hat and bring it in. We will be singing and marching around the school and learning about all the different fun we can have at the circus!

We hope that everyone is enjoying the hot summer weather. Have a wonderful month of July and safe Independence Day.

Please don't forget we are always available if you have any questions/concerns!
