

RING AROUND THE ROSIE!

# Funshine Children's Center

MAY 2018

## Wee Care Newsletter

Dear Parents,

April showers bring May flowers! We look forward to the flowers blooming, warmer temperatures, sunshine, and playing outside! Since we will be spending a lot of time outside, please make sure that you bring in sunscreen (with a doctor's note please) for your child. Also, please be sure to go through your child's tub to ensure they have weather appropriate clothing.

This month our themes focus is on family! There are many different kinds families that we can celebrate. Some families are big, some are small, but they all share one thing...love! We love our families and will celebrate all our different families this week! We will start by talking about family fun such as vacations, traditions, etc. Then we get to spoil some of our mothers for Mother's Day! After Mother's Day we will learn about all the different types of families and extended families. We finish off the month with pet week! We will learn about different animals our kids have at home, or wish they had at home 😊

This month we were excited to welcome two new friends to Funshine! Welcome Lucas and Samuel to our classroom!

We will have our annual Trike-a-Thon on May 18<sup>th</sup>! If your child has a bike helmet, please bring it that day. We will be discussing bicycle safety throughout the week and then the kids will get to enjoy the tricycle races at the end of the week!
