HAPPY EASTER!

APRIL 2018

Infant Newsletter

Hello Everyone!

I guess when "March Madness" and the basketball season ends, spring weather can finally arrive! Looking forward to warm sunshine and the beauty of the spring season!

We have made a major transition these last few weeks! Our Waddlers have all turned 1 and "graduated" to Jr. Toddlers! Caleb Dunn, Carl, Lex, and Nora are now officially Waddlers! They love Ms. Liz and more space to learn to crawl and the famous ball pit. Nora is scooting everywhere and so close to crawling. She loves exploring the new toys and Ms. Liz's circle time! Lex loves the wall mirror and lots of cuddles! Carl is on the move, rolling and scooting to get where he wants to be! Caleb sits up very well and likes scooting around and music play. I'm sure they were all happy to find eggs around their room!

In infants, we have Caleb S, who loves tummy time with Landon in front of the mirror or on the mats. Both are working the gross motor skills to sit up independently! Olivia loves to lay in the exersaucers, especially with the musical toys! She'll be a great piano player! Miles loves to smile and play and can grab at the toys on the toy bars! They all enjoy

reading books, especially the touch and feel ones.

The Waddler's will go outside when weather is warm so please be sure they have a hooded jacket, sunscreen (with a doctor's note) and soft shoes in their tubs every day.

Ms. Rosana is temporarily in Jr. Toddlers until May but will be returning to the infant classroom very soon.

We hope you all had a blessed Easter and will experience peace and kindness this month!

We love you,
Ms. Donna, Ms. Liz, and Ms. Sandy
